OFFER AND CIRCULAR

November 1, 2017

TO THE SHAREHOLDERS OF BPTL:

1. BACKGROUND AND INTRODUCTION

ANSA Coatings International Limited (“ACI” or “the Offeror”) is an international business company incorporated under the Laws of St. Lucia with registered number 2015-00442 and is a wholly owned subsidiary of ANSA McAL. The Offeror's registered office is located at Meridian Place, Choc Estate, Castries in St. Lucia.

ANSA McAL is a company incorporated under the laws of Trinidad and Tobago, with its registered office at 11th Floor, TATIL Building, 11 Maraval Road, Port of Spain, Trinidad. ANSA McAL is registered as a reporting issuer under the Securities Act Chap 83:02 of the laws of Trinidad and Tobago. ANSA McAL is the ultimate parent company of the ANSA McAL Group which is a diversified group of companies engaged in trading and distribution, manufacturing, packaging and brewing, insurance and financial services and media and service industries (the “ANSA McAL Group”). ANSA McAL and its Affiliates operate in Trinidad and Tobago, Barbados, Guyana, Jamaica, St. Kitts & Nevis, Grenada and the wider Caribbean Region, as well as the United States of America.

On June 16, 2017 ANSA McAL announced that ACI had entered into two agreements in relation to the acquisition of BPTL Shares, namely:-

- i. The purchase of 100% of the shareholding of LBOH from BIPL. This acquisition is hereinafter referred to as the “LBOH Acquisition”. Among other things, LBOH held 3,613,011 Shares, which constitute approximately 70% of the 5,161,444 issued and outstanding share capital of BPTL; and
- ii. The purchase of 500,000 Shares from Chan Ramlal Limited which constitutes approximately 9.69% of the 5,161,444 issued and outstanding share capital of BPTL. As at the date of the abovementioned announcement, Sissons Paints Limited (a subsidiary of ANSA McAL and an Affiliate of ACI) was the registered holder of 60,606 Shares which constitute approximately 1.17% of the issued and outstanding share capital of BPTL. These Shares were owned by Sissons Paints Limited when that company was acquired by ANSA McAL on November 28, 2008.

On July 24, 2017 ACI completed the LBOH Acquisition which resulted in ACI owning indirectly 3,613,011 Shares (equivalent to 70%) of the issued and outstanding share capital of BPTL, which represents a substantial change in ownership. The value notionally attributable to the BPTL shares indirectly acquired as a result of the LBOH Acquisition was TTD\$5.60 per share.

On July 31, 2017 ACI completed the sale of 500,000 Shares from Chan Ramlal Limited (the "Chan Ramlal Shares") being 9.69 % of the issued and outstanding share capital of BPTL at an agreed share price of TTD\$6.76.

The above transactions triggered an obligation on the part of ACI under By-Laws 2 (1) and 2 (2)(o) of the Trinidad and Tobago Take-Over Bid Regulations and the Trinidad and Tobago Stock Exchange Rules to make a mandatory bid for the remaining Shares at the price of TTD\$6.76 per ordinary share which was paid for the Chan Ramlal Shares.

As a consequence of the LBOH Acquisition and the purchase of the Chan Ramlal Shares, ACI is the beneficial owner of 3,613,011 Shares and the registered owner of 500,000 Shares amounting in total to 4,113,011 Shares and together with the 60,606 Shares owned by Sissons Paints Limited, ANSA McAL is the deemed beneficial owner of and controls approximately 80.86 % of the issued and outstanding share capital of BPTL.

In addition, on July 24, 2017 two directors of BPTL, Messrs Tom Thomas and Manish Choksi (who were nominated by BIPL) resigned from the board of BPTL, and Ray A. Sumairsingh and Andy Mahadeo having been nominated by the Offeror were elected to the board of directors of BPTL in their place. At an Annual meeting of BPTL held on July 27, 2017 Mr. Aneal Maharaj was also elected to the board of directors of BPTL, having been nominated by the Offeror.

Save to the extent that the Offeror is the beneficial owner of 3,613,011 Shares and the registered owner of 500,000 Shares and Sissons Paints Limited is the registered owner of 60,606 Shares in the issued and outstanding share capital of BPTL:

- (i) The Offeror and its directors and senior officers;
- (ii) The associates of the Offeror's directors and senior officers;
- (iii) Persons holding more than ten (10%) percent of any class of voting or equity securities in the Offeror;

do not own control exercise discretion over or have any interest in any Shares and no such persons have traded in the Shares during the six-month period preceding the date of this Offer.

No person is acting jointly or in concert with the Offeror in making this Offer.

Purpose of the Offer

This Offer is being made by the Offeror to acquire all of the Offer Shares in accordance with the Trinidad and Tobago Take-Over Bid Regulations.

The acquisition of the Offer Shares will permit the consolidation and the strengthening of the complementary businesses, namely the business enterprise of ANSA McAL and its subsidiaries with that of the business enterprises of BPTL, and will significantly enable the execution of the business development plans for BPTL.

In particular, the combined entities' considerable experience in coatings manufacturing, product innovation, packaging, marketing, branding and distribution will enhance efficiencies, productivity and enhance local, regional and global competitiveness of the products and services.

2. THE OFFER

The Offeror hereby offers, upon the terms and subject to the conditions of this Offer, to purchase any and all of the Offer Shares (including Shares which become outstanding on the

exercise of Options), at a cash price equal to TTD\$6.76 per ordinary share. The Offer price may be adjusted in certain circumstances, as described in “Offer Price” in Section 3 of the Circular.

Reasons to Accept the Offer:

- **The Offer Represents Significant Premium to Share Price.** This Offer represents a 67% premium to the unaffected share price of TTD\$4.05 which was the closing price on Thursday, June 15 2017, the last trading day prior to the public announcement of the LBOH Acquisition.
- **Realization of Shareholders’ Investment in BPTL.** There has been very little BPTL activity on the TTSE, with less than 10 days of trading activity over the last 12 months. This highlights the lack of liquidity of the Shares, and so the offer provides shareholders with an avenue to realize a return on their investment in BPTL
- **Fully Financed Cash Offer.** The form of consideration offered by the Offeror is cash, and the Offeror has committed funding for its Offer, see “Sources of Funds” in Section 17 of the Circular. The Offer provides Shareholders with a certainty of value and a liquidity event for the Shares which have extremely low trading volumes.
- **Low Execution Risk.** The Offer contains conditions that are in line with market practice. The Offeror is confident that no material or regulatory issues are likely to arise in relation to the Offer and that it will receive the required regulatory clearances.
- **Low Prospect of Alternative Offers.** Given that the Offeror together with its Affiliate already owns a majority stake of 80.86% of the Shares, the Offeror believes that the prospect of any competing offer being made for the Offer Shares by a third party is low.

The foregoing list of factors is not intended to be exhaustive. Shareholders should consider the Offer carefully upon receiving such professional advice as they deem necessary and come to their own conclusions as to whether to accept or reject the Offer. Shareholders who are in doubt as to how to respond should consult with their own investment dealer, stockbroker, bank manager, trust company manager, lawyer or other professional advisor. Shareholders are advised that acceptance of the Offer may have tax consequences and they should consult their own professional tax advisors.

The Offer is made only for the Offer Shares and is not made for any Options. Any holder of Options who wishes to accept the Offer must first exercise the Options in order to obtain Shares, and must then deposit those BPTL Shares under the Offer. Any such exercise must be sufficiently in advance of the Expiry Time to assure the holders of Options and other rights to purchase Shares that they will have the Shares available for deposit before the Expiry Time.

Based upon BPTL’s public filings with the Registrar of Companies and through the due diligence conducted by the Offeror, as of the date hereof, the Offeror confirms that there are 987,827 Offer Shares outstanding.

3. THE OFFER PRICE

The Offer price is TTD\$6.76 per Offer Share and is consistent with the price paid for the Chan Ramlal Shares.

In the event of a change in circumstances relating to any potential change of control after the date of this Offer, or if any competitive offer is received by shareholders, or for any other reason that the Offeror in its sole discretion deems fit or prudent, the Offeror may amend this Offer in any manner which is consistent with its own determination of the fair price for the Offer Shares or otherwise. See “Extension, Variation or Change in the Offer” in Section 7 of the Circular.

Without prejudice to the generality of the foregoing, if, on or after the date of the Offer, BPTL should split, divide, combine or otherwise change any of the Shares or its capitalisation, or disclose that it has taken or intends to take any such action, the Offeror, in its sole discretion and without prejudice to its rights under Section 4 of the Circular entitled “Conditions of the Offer”, may make such adjustments or amendments as it considers appropriate to the purchase price and the other terms of the Offer (including, without limitation, the type of securities offered to be purchased and the amounts payable therefor) to reflect that division, combination or other change.

4. CONDITIONS OF THE OFFER

This Offer is subject to the following terms and conditions (the “Terms and Conditions”):

- (i) The TTSE/TTCD treating all transfers of the dematerialized Shares made pursuant to this Offer as having been made in accordance with the rules of the TTSE or the TTCD so as to exempt ACI and the Shareholders who accept this Offer from payment of any stamp duties in relation to the Offer Shares in accordance with Section 85 of the Securities Act Chap 83:02.
- (ii) No Government or governmental, supranational or trade agency or regulatory body or any court or other person having instituted or threatened any action suit or investigation or enacted any statute or regulation or order or decision that might in the opinion of ACI:
 - (a) Make the acquisition of the Offer Shares by the Offeror illegal or otherwise restrict or prohibit implementation of this Offer;
 - (b) Result in a delay in the ability of the Offeror or render the Offeror unable to acquire some or any of the Offer Shares;
 - (c) Require the divestiture by BPTL of all or any portion of its business assets or property or impose any limitation on the ability of BPTL to conduct its business and/or own its own assets or properties; or
 - (d) impose material limitations on the ability of ACI to acquire or hold or to exercise effectively all rights of ownership of the Offer Shares, ACI’s Shares or any other shares the beneficial ownership of which is deemed to be vested in ACI;
- (iii) There has not been any “Material Adverse Change” in the business condition and operations of BPTL. A “Material Adverse Change” means any change that in the opinion of the Offeror would be expected to have a material and adverse effect on the business assets properties condition (financial or otherwise) results of operations or prospects of BPTL or any financial market in which BPTL or ANSA McAL operates;

The Offeror’s obligation to take up the Shares under the Offer **shall not** be subject to the recommendation of acceptance of the Offer by the BPTL Directors.

The foregoing conditions are for the exclusive benefit of the Offeror and may be amended or waived by the Offeror in whole or in part at any time. The foregoing conditions may be asserted by the Offeror regardless of the circumstances (including any action or inaction by the Offeror or any of its Affiliates) giving rise to any such condition. The failure by the Offeror at

any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed to be an ongoing right that may be asserted at any time and from time to time until the Expiry Time or the date on which the Offer is withdrawn.

Any amendment or waiver of a condition or the termination or withdrawal of the Offer shall be effective upon written notice (or other communication confirmed in writing) being given by the Offeror to that effect to the Broker-Dealer at its principal office at 2nd Floor, 67 Independence Square, Port of Spain. The Offeror, forthwith after giving any such notice, will make a public announcement of such amendment, waiver or withdrawal and, to the extent required by applicable Law, cause the Broker-Dealer as soon as is practicable thereafter to notify the Shareholders in the manner set forth under “Notice and Delivery” in Section 13 of the Circular. If the Offer is withdrawn, the Offeror shall not be obligated to take up, accept for payment or pay for any Offer Shares deposited under the Offer, and the Broker- Dealer will promptly return or cause the return of all Letters of Acceptance and related documents in its possession to the parties by whom they were deposited.

5. TIME FOR ACCEPTANCE

The Offer is open for acceptance until 4:00 p.m. (Trinidad & Tobago time) on the Expiry Date, or until such later time and date or times and dates to which it may be extended, unless the Offer is withdrawn by the Offeror. See “Extension, Variation or Change in the Offer” in Section 7 of the Circular.

The acceptance of this Offer pursuant to the procedures set forth above shall constitute an agreement between the depositing Shareholder and the Offeror in accordance with the terms and conditions of this Offer.

The Offeror reserves the right to permit the Offer to be accepted in a manner other than that set forth in this Section 6 of the Circular.

7. EXTENSION, VARIATION OR CHANGE IN THE OFFER

This Offer is open for acceptance until the Expiry Time, unless the Offer is withdrawn or the Offer Period is extended.

Subject as hereinafter described, the Offeror may, in its sole discretion, at any time and from time to time, extend the Expiry Time or vary the Offer by giving written notice (or other communication subsequently confirmed in writing) of such extension or variation to the Broker-Dealer at its principal office in Port of Spain. Upon the giving of such notice or other communication extending the Expiry Time, the Expiry Time shall be, and be deemed to be, so extended. The Offeror, as soon as practicable thereafter, will cause the Broker-Dealer to provide a copy of the notice, in the manner set forth under “Notice and Delivery” in Section 13 of the Circular, to all Shareholders to whom the Offer Documents have been furnished and whose Shares have not been taken up at the date of the extension or variation. The Offeror shall, as soon as practicable after giving notice of an extension or variation to the Broker-Dealer, make a public announcement of the extension or variation to the extent and in the manner required by applicable Law. Any notice of extension or variation will be deemed to have been given and to be effective on the day on which it is delivered or otherwise communicated to the Broker-Dealer at its principal office in Port of Spain, Trinidad & Tobago.

Notwithstanding the foregoing, except for extensions in connection with changes in the information contained in this Offer Circular, as described in the following paragraph, or as otherwise required by applicable Law, the Offer may not be extended by the Offeror if all of the terms and conditions of the Offer (other than those waived by the Offeror) have been fulfilled or complied with, unless the Offeror first takes up and pays for all Offer Shares then deposited under the Offer and not withdrawn.

If, before the Expiry Time, or after the Expiry Time but before the expiry of all rights of withdrawal with respect to the Offer, a change occurs in the information contained in the Offer or the Circular, as amended from time to time, that would reasonably be expected to affect the decision of a Shareholder to accept or reject the Offer (other than a change that is not within the control of the Offeror or its associates or affiliates), or the Offeror otherwise determines to supplement or change the information contained in the Offer or the Circular in any way, the Offeror will give written notice of such change or supplement to the Broker-Dealer at its principal office in Port of Spain and will cause the Broker-Dealer to provide as soon as practicable thereafter a copy of such notice in the manner set forth under “Notice and Delivery” in Section 13 of the Circular, to all Shareholders to whom the Offer Documents have been furnished and whose Offer Shares have not been taken up under the Offer at the date on which the Offeror notifies the Broker-Dealer of such change or supplement. As soon as possible after giving notice of a change in, or supplement to, information to the Broker-Dealer, the Offeror will make a public announcement of the change in information. Any notice of change in, or supplement to, information will be deemed to have been given and to be effective on the day on which it is delivered or otherwise communicated to the Broker-Dealer at its principal office in Port of Spain.

Where the terms of the Offer are varied in any material respect (except a variation consisting solely of the waiver of a condition), or the Offeror notifies the Broker-Dealer of a change in, or supplement to, the information contained in the Offer or the Circular, the Offer will remain open for a minimum of fourteen (14) days after the date of such variation or such notice to the Broker-Dealer, unless otherwise permitted by applicable Law.

During any such extension, or in the event of any variation or change in information, all Offer Shares previously deposited and not taken up or withdrawn will remain subject to the

Offer and may be accepted for purchase by the Offeror in accordance with the terms hereof, subject to the Shareholders' rights to withdraw deposited Offer Shares, as described in "Right to Withdraw Deposited Shares" in Section 11 of the Circular. An extension of the Expiry Time, a variation of the Offer, or a change in information contained in the Offer or the Circular does not, unless otherwise expressly stated, constitute a waiver by the Offeror of any of its rights set out under "Conditions of the Offer" in Section 4 of the Circular.

If the consideration being offered for the Offer Shares under the Offer is increased, the increased consideration will be paid to all depositing Shareholders whose Offer Shares are taken up under the Offer, whether or not such Offer Shares were taken up before the increase.

8. COMPLETION OF OFFER; WITHDRAWAL OF OFFER

The Offeror will announce within two (2) Business Days after the Expiry Date whether it is proceeding with the Offer or whether there is an unfulfilled condition which the Offeror is invoking in order to withdraw the Offer. If the Offer is withdrawn, the Offeror shall return all deposited Offer Shares forthwith.

9. TRANSFER OF SHARES – TRINIDAD & TOBAGO STOCK EXCHANGE

If the Offeror is proceeding with the Offer, the transfer of all deposited Offer Shares shall be effected by means of a put-through in accordance with the rules for the time being of the TTSE.

10. TAKE UP OF AND PAYMENT FOR DEPOSITED SHARES

Upon the terms and subject to the conditions of the Offer, the Offeror will take up and pay for Offer Shares duly and validly deposited pursuant to the Offer in accordance with the terms hereof within any time period prescribed by applicable securities laws but in any event not later than ten (10) Business Days following the Expiry Time.

For the purposes of the Offer, the Offeror will be deemed to have taken up and accepted for payment Offer Shares validly deposited under the Offer and not withdrawn as and when the Offeror gives written notice to the Broker-Dealer, at its principal office in Port of Spain, Trinidad & Tobago, to that effect.

The Offeror reserves the right, in its sole discretion, to delay taking up or paying for any Offer Shares or to terminate the Offer and not take up or pay for any Offer Shares if any condition specified under "Conditions of the Offer" in Section 4 of the Circular is not satisfied or waived by the Offeror. The Offeror will not, however, take up and pay for any Offer Shares deposited under the Offer unless it simultaneously takes up and pays for all Offer Shares then validly deposited under the Offer.

The Offeror will pay for Offer Shares validly deposited under the Offer and not withdrawn by providing the Paying Agent with sufficient funds (by bank transfer or other means satisfactory to the Paying Agent) for transmittal to Shareholders who deposited their Shares pursuant to this Offer. The Paying Agent will act as the agent of persons who have deposited Offer Shares in acceptance of the Offer for the purposes of receiving payment from the Offeror and transmitting such payment to such persons.

Shareholders resident in Trinidad & Tobago will not be entitled to receive payment in any other currency but Trinidad & Tobago Dollars in connection with this Offer and will be paid in Trinidad & Tobago Dollars.

Settlement with each Shareholder who has validly deposited and not withdrawn Offer

Shares under the Offer will be effected by the Paying Agent by cheque or in the case of Shareholders holding bank accounts in Trinidad and Tobago by direct electronic transfer through the automated clearing house (ACH) system.

If the Shareholder elects to receive his consideration by cheque, the cheques for payment may be sent by post to the registered address of the person entitled to receive the cheque (at the risk of such person) or collected directly from the Paying Agent in accordance with the directions given by the relevant Shareholder in the **Form of Acceptance** and on presenting two forms of official identification.

If a Shareholder elects to receive his consideration by direct electronic transfer, he should supply with the **Form of Acceptance** particulars of his banking information in Trinidad and Tobago together with two forms of official identification. The costs of such transfers will be for the account of the Shareholder.

To receive payment in respect of the Offer Shares tendered pursuant to this Offer, all Shareholders must hold a brokerage account and an account with the TTCD. In the event that Shareholders do not have such accounts, the Broker-Dealer can assist with the opening of such account. Forms for opening an account with the TTCD and the required documents will be made available at the Broker-Dealer's principal office in Port of Spain, Trinidad & Tobago.

Depositing Shareholders will not be obliged to pay brokerage fees or commissions if they accept the Offer by depositing their Offer Shares directly with or through the Broker-Dealer.

11. RIGHT TO WITHDRAW DEPOSITED SHARES

Except as otherwise provided in this Section 11, all deposits of Shares pursuant to the Offer are irrevocable. Unless otherwise required or permitted by applicable Laws, any Shares deposited in acceptance of the Offer may be withdrawn at the place of deposit by or on behalf of the depositing Shareholder at any time up to two (2) days before the Expiry Time.

Withdrawals of Offer Shares deposited pursuant to the Offer must be effected by notice of withdrawal made by or on behalf of the depositing Shareholder and must be actually received by the Broker-Dealer at the place of deposit within the time limits indicated above. Notices of withdrawal: (i) must be made by a method, including a manually signed facsimile transmission, that provides the Broker-Dealer with a written or printed copy; (ii) must be signed by or on behalf of the person who signed the **Form of Acceptance** accompanying the Offer Shares which are to be withdrawn; (iii) must specify such person's name, the number of Offer Shares to be withdrawn, the name of the registered holder; and (iv) must be actually received by the Broker-Dealer at the place of deposit of the applicable Shares. The withdrawal will take effect upon actual physical receipt by the Broker-Dealer of the properly completed and signed written notice of withdrawal.

All questions as to the validity (including timely receipt) and form of notices of withdrawal will be determined by the Offeror in its sole discretion, and such determination will be final and binding. There will be no obligation on the Offeror, the Broker-Dealer or any other person to give any notice of any defects or irregularities in any withdrawal and no liability will be incurred by any of them for failure to give any such notice.

If the Offeror is delayed in taking up or paying for the Offer Shares or is unable to take up or pay for Offer Shares, then, without prejudice to the Offeror's other rights, Offer Shares deposited under the Offer may be retained by the Broker-Dealer on behalf of the Offeror and such Offer Shares may not be withdrawn except to the extent that depositing Shareholders are entitled to withdrawal rights as set forth in this Section 11 or pursuant to applicable Laws.

Any Offer Shares withdrawn will be deemed to be not validly deposited for the purposes

of the Offer, but may be re-deposited subsequently at or prior to the Expiry Time by following the procedures described under “Manner of Acceptance” in Section 6 of the Circular.

In addition to the foregoing rights of withdrawal, Shareholders are entitled to statutory rights in certain circumstances. See “Offeree’s Statutory Rights; Acquisition of Remaining Shares” in Section 25 of the Circular.

12. RETURN OF DEPOSITED SHARES

If any deposited Offer Shares are not taken up and paid for pursuant to the terms and conditions of the Offer for any reason, the Offer Shares not purchased will be returned to the depositing Shareholder as soon as is practicable but in any event no later than five (5) Business Days following the termination or withdrawal of the Offer. Offer Shares that are held in a central securities depository will be transferred to the account from which they were originally transferred for the purpose of tendering under the Offer as soon as practicable but, in any event, no later than five (5) Business Days after the termination of the Offer.

13. NOTICE AND DELIVERY

Without limiting any other lawful means of giving notice, any notice that the Offeror or the Broker-Dealer may give or cause to be given under the Offer will be deemed to have been properly given if it is mailed by first class mail, postage prepaid, to the registered holders of Offer Shares at their respective addresses appearing in the registers of the TTCD and, unless otherwise specified by applicable Laws, will be deemed to have been received on the actual day of mailing. These provisions apply notwithstanding any accidental omission to give notice to any one or more Shareholders and notwithstanding any interruption of mail services in Trinidad & Tobago, following mailing.

If mail service is interrupted following mailing, the Offeror intends to make reasonable efforts to disseminate the notice by other means, such as publication. Subject to applicable law, if post offices in Trinidad & Tobago are not open for the deposit of mail, any notice which the Offeror or the Broker-Dealer may give or cause to be given under the Offer will be deemed to have been properly given and to have been received by Shareholders if it is published once in the Trinidad Guardian newspapers.

The Offer will be mailed to registered holders of Offer Shares and will be furnished by the Offeror to broker-dealers, investment advisors, banks and similar persons whose names, or the names of whose nominees, appear in the register maintained by the TTCD on behalf of BPTL in respect of the Offer Shares or, if security position listings are available, who are listed as beneficial owners in a clearing agency’s security position listing, where such listings are received.

14. OTHER TERMS OF THE OFFER

No broker-dealer, investment advisor or other person (including the Broker-Dealer), has been authorised to give any information or make any representation on behalf of the Offeror or its Affiliates other than as expressly set forth herein, and if any such information is given or made it must not be relied upon as having been authorised.

The Offer and all contracts resulting from the acceptance hereof shall be governed by, and construed in accordance with, the Laws of Trinidad & Tobago. Each party to a contract resulting from an acceptance of the Offer unconditionally and irrevocably attorns to the jurisdiction of the courts of Trinidad & Tobago.

In any jurisdiction in which the Offer is required to be made by a licensed broker or dealer, this Offer shall be made on behalf of the Offeror by brokers or dealers licensed under the laws

of such jurisdiction.

The Offeror, in its sole discretion, will be entitled to make a final and binding determination of all questions relating to the interpretation of the terms and conditions of the Offer (including the satisfaction of the conditions of the Offer), the Circular, and the **Form of Acceptance**, the validity of any acceptance of the Offer and the validity of any withdrawals of Shares.

The Offeror reserves the right to transfer to one or more affiliated companies the right to purchase all or any portion of the Offer Shares deposited pursuant to the Offer but any such transfer will not relieve the Offeror of its obligations under the Offer and in no way will prejudice the rights of persons depositing Offer Shares to receive payment for Offer Shares validly deposited and accepted for payment pursuant to the Offer.

15. BUSINESS RELATIONSHIP BETWEEN THE OFFEROR AND BPTL

Assignment of Trademarks

Contemporaneously with the LBOH Acquisition, BIPL assigned and transferred to ACI its rights, title, interest and property in the trademarks (the “Trademarks”) registered or in the process of registration in Trinidad & Tobago and used by BPTL in relation to its paint business through an agreement referred to as a Technology, Trademark Licence and Allied Services Agreement. As a consequence of the assignment, the Technology, Trademark Licence and Allied Services Agreement was terminated with effect from July 24, 2017.

“Subsequently by letter dated 15th August 2017, ACI notified BPTL that the continuation of the use of the Trademarks until December 31, 2017 shall be under the same terms and conditions as the prior Technology, Trademark Licence and Allied Services Agreement between LBOH and BPTL; after which the terms and conditions will be reviewed. There are no material changes in the operations of BPTL resulting from termination of the agreement with LBOH and the entry into this new arrangement with ACI in relation to the Trademarks.

Novation of Existing Shareholder Loans

Additionally, as part of the LBOH Acquisition, BIPL agreed to novate to ACI certain short term loans granted to BPTL in the aggregate sum of USD\$900,000.00. As a result, BIPL and ACI entered into a deed of assignment of the said loans contemporaneously with the share purchase agreement for the LBOH Acquisition. The current status of the loans is set out in **Table 1** below.

Table 1 Summary of Loans due to ACI from BPTL

Sum	Date	Term	Rate	Expiry
USD\$150,000.00	8 Aug -17	3 months	1 mo. USD LIBOR + 1.4% payable on a quarterly basis	7-Nov-17
USD\$250,000.00	8 Aug -17	3 months	1 mo. USD LIBOR + 1.4% payable on a quarterly basis	7-Nov-17
USD\$500,000.00	8 Sept -17	3 months	1 mo. USD LIBOR + 1.4% payable on a quarterly basis	7-Dec-17

Effective July 24, 2017, ACI became the creditor to BPTL under these three short-term facilities. Notice of the assignment of the loans was issued to BPTL on July 24, 2017 and BPTL issued an acknowledgement of the said assignment to ACI on July 24, 2017. There shall be no material changes in the operations of BPTL resulting from the entering into this new arrangement with ACI in relation to these credit facilities.

16. SHARE OPTIONS

The Offer is made only for Shares. Any holder of vested and exercisable Options who wishes to accept the Offer should first exercise the Options in order to obtain Shares and deposit such Shares in accordance with the Offer.

Holders of Options should consult their tax advisors for advice with respect to potential income tax consequences to them in connection with the decision to exercise or not exercise their Options.

17. SOURCE OF FUNDS

From its own resources, the Offeror and its parent company ANSA McAL have the financial resources and ability to carry out the Offer, that is, to pay the offer price payable to each Shareholder who accepts the Offer in accordance with the terms of this Offer.

As at June 30, 2017, ANSA McAL Group reported approximately TTD\$1,667 million in cash and cash equivalents. Accordingly, ANSA McAL Group has available after the acquisition of LBOH which closed on July 24, 2017, sufficient cash funds to allow ACI to purchase all of the Offer Shares. Attached as **Appendix 2** is a copy of a letter of commitment from ANSA McAL which confirms its commitment to fund the aggregate offer price of TTD\$6.76 per share for all the Offer Shares from its own financial resources via an intercompany loan to the Offeror.

18. OWNERSHIP OF AND TRADING IN SECURITIES OF BPTL MARKET PURCHASES

Sissons Paints Limited, an affiliate of the Offeror, is the legal and beneficial owner of 60,606 Shares. Neither the Offeror, ANSA McAL nor any of its Affiliates has traded in any securities of BPTL during the period of 6 months prior to the Offer.

The Offeror does not intend (either directly or indirectly) to purchase any Offer Shares in the market.

19. OWNERSHIP AND TRADING OF SHARES OF THE OFFEROR

The Offeror is a wholly-owned subsidiary of ANSA McAL. To the knowledge of the Offeror, none of BPTL or any of its subsidiaries or any other person or company acting jointly or in concert with BPTL owns or has ever purchased or sold any material securities of the Offeror or ANSA McAL.

20. VALUATION INFORMATION

Ernst & Young Services Limited Trinidad (“EY”), an internationally renowned financial advisory firm, through its Transaction Advisory Services (“EY-TAS”) team, performed an independent formal valuation of BPTL. A summary of the Valuation together with selected valuation benchmarks are included in **Appendix 1** of this Offer Document. EY-TAS has

approved this summary and consented to its use in this Offer Document and in relation to the entire Offer. A copy of the Valuation will be lodged with the Broker-Dealer at its office in Port of Spain where it may be inspected. A copy of the Valuation will be sent via post to a Shareholder upon request and payment of the relevant costs of copying and postage therefor by such Shareholder.

21. ARRANGEMENTS, AGREEMENTS OR UNDERSTANDINGS

There are no contracts or arrangements and no contracts or arrangements are at present proposed to be made between the Offeror and any of the directors or officers of BPTL, including any payment or other benefit proposed to be made or given by way of compensation in respect of loss of office or in respect of their remaining in or retiring from office if the Offer is successful.

Neither ANSA McAL nor the Offeror knows of any material changes in the prospects of BPTL since the date of the most recent publicly filed interim or annual financial statements of BPTL.

22. PRICE RANGE AND TRADING VOLUMES OF THE SHARES

The Shares are listed and posted for trading on the TTSE. Based upon information provided by BPTL, the Offeror believes that as of the date hereof there are 987,827 Offer Shares.

23. CERTAIN TAX CONSIDERATIONS

The following is a summary of certain tax consequences for Shareholders who accept the Offer and who are residents of Trinidad & Tobago.

Stamp Duties: Provided that the Condition at Section 4(i) (Conditions of the Offer) at page 9 of the circular is satisfied, no stamp duty is chargeable in Trinidad and Tobago in respect of the Letters of Acceptance executed by a Trinidad and Tobago resident in favour of the TTCD nor in respect of any transfer made by the TTCD in accordance with its rules.

Capital Gains Tax: There are no capital gains taxes in Trinidad and Tobago (other than short term gains on the transfer or disposition of certain property within one (1) year from the date of acquisition which are treated as income for tax purposes). Capital gains arising on a sale, transfer or other disposition of the BPTL Shares will generally be considered capital gains under the Trinidad and Tobago tax laws if the Shares are held as capital property.

Income and Corporation Taxes: In certain circumstances, the purchase of the Shares by the Offeror pursuant to this Offer may have adverse income tax consequences for the Shareholder in Trinidad and Tobago. Specifically, a Shareholder will be subject in Trinidad and Tobago to tax on gains realised on the transfer of the Shares, where such Shares are held as a trading asset in a trade or business or in the course of an adventure in the nature of trade or business carried on in Trinidad and Tobago. Any such gain by a Shareholder who is (a) resident in Trinidad and Tobago or (b) though not resident in Trinidad and Tobago, carries on a trade or business in Trinidad and Tobago involving the Shares as a trading asset or a deemed trading asset, will be subject in Trinidad and Tobago to income and/or corporation tax on the amount of the gain arising in Trinidad and Tobago. The tax liability may be reduced or removed pursuant to the provisions of an applicable double taxation treaty.

Business Levy: Business Levy at the rate of 0.60% is chargeable in Trinidad and Tobago on the gross sales or receipts of a company for each quarter in each year of income (subject to certain exceptions). Business Levy will be payable on the gross amounts received from the sale, transfer or other disposition of the Shares by a corporate shareholder which is liable to pay corporation tax on such gains in accordance with the foregoing paragraph *Income and Corporation Taxes*. In such case the corporate Shareholder will be entitled in Trinidad and Tobago to a tax credit against its Business Levy liability for a year of income of any payment made in respect of its corporation tax liability for that year of income up to a maximum of its Business Levy liability.

Green Fund Levy: Green Fund Levy at the rate of 0.3% is chargeable in Trinidad and Tobago on the gross sales or receipts of a company for each quarter in each year of income, whether or not such company is exempt from Business Levy. Green Fund Levy will be payable on the gross amounts received from the sale, transfer or other disposition of the Shares by a corporate Shareholder which is liable to pay corporation tax on such gains in accordance with the foregoing paragraph *Income and Corporation Taxes*.

This summary is not exhaustive of all income tax considerations and is of a general nature only. It is not intended to be, nor should it be construed to be, legal or tax advice to any particular Shareholder, and no representations with respect to the tax consequences to any particular Shareholder are made. Accordingly, Shareholders should consult their own tax advisors with respect to their particular circumstances, including the application and effect of the income and other tax laws of any country, province, state or other local tax authority.

24. OTHER MATTERS RELATING TO THE OFFER

Arrangements with Paying Agent

The Paying Agent will receive reasonable and customary compensation from the Offeror for its services in connection with the Offer, will be reimbursed for certain out-of-pocket expenses and will be indemnified against certain liabilities and expenses in connection therewith, including, without limitation, applicable securities law compliance matters.

Arrangements with Broker-Dealer

The Broker-Dealer will receive reasonable and customary compensation from the Offeror for its services in connection with the Offer, will be reimbursed for certain out-of-pocket expenses and will be indemnified against certain liabilities and expenses in connection therewith, including, without limitation, applicable securities law compliance matters.

Arrangements with Distribution Agent

TTCD will receive reasonable and customary compensation from the Offeror for its services as distribution agent in connection with the Offer, will be reimbursed for certain out-of-pocket expenses and will be indemnified against certain liabilities and expenses in connection therewith, including, without limitation, applicable securities law compliance matters.

25. OFFEREE'S STATUTORY RIGHTS AND ACQUISITION OF REMAINING SHARES

It is the Offeror's current intention that if it takes up and pays for Offer Shares deposited under the Offer, it will enter into one or more transactions to enable the Offeror or an Affiliate to acquire all Offer Shares not acquired pursuant to the Offer either by Right of Acquisition (as defined hereafter) or Compelled Acquisition (as defined hereafter). There is no assurance that any such transaction will be completed.

Right of Acquisition

If, within 120 calendar days after the date of the Offer, the Offer is accepted by Shareholders allowing the Offeror to hold not less than 90% of the Shares and the Offeror acquires any deposited Offer Shares relative to such acceptance, then the Offeror has a right and may trigger in its sole discretion an acquisition of the Offer Shares not deposited under the Offer on the same terms of the Offer pursuant to the provisions of section 202 of the Companies Act (a "Compulsory Acquisition") from each of the Shareholders who did not accept the Offer (in each case, collectively and individually "Dissenting Offeree").

If the Offeror chooses to invoke this right to acquire the Dissenting Offerees' Offer Shares, the Dissenting Offerees are entitled by way of Section 203 of the Companies Act, to demand payment for the fair value of their respective Offer Shares in accordance with Section 209 to 212 of the Companies Act.

To exercise its statutory right of Compulsory Acquisition, the Offeror must give notice (the "Offeror's Notice") to each of the Dissenting Offerees (and each Person who subsequently acquires any such Offer Shares) and the TTSEC under the Companies Act of such proposed acquisition on or before the earlier of 60 calendar days following the termination of the Offer and 180 calendar days following the date of the Offer. Within 20 calendar days after having

given the Offeror's Notice, the Offeror must pay or transfer to BPTL the consideration it would have had to pay or transfer to the Dissenting Offerees if they had elected to accept the Offer, to be held in trust for the Dissenting Offerees. Within 20 calendar days after receipt of the Offeror's Notice, each Dissenting Offeree must send the certificates evidencing the Offer Shares held by such Dissenting Offeree to BPTL and must elect either to transfer such Offer Shares to the Offeror on the terms on which the Offeror acquired Offer Shares under the Offer or within 20 days after receipt of the said notice, demand payment of the fair value of the Offer Shares by so notifying the Offeror.

If the Dissenting Offeree fails to notify the Offeror within the applicable time period, the Dissenting Offeree will be deemed to have elected to transfer its Offer Shares to the Offeror on the same terms on which the Offeror acquired the Offer Shares under the Offer.

If a Dissenting Offeree has elected to demand payment of the fair value of its Offer Shares, the Offeror may apply to the TTSEC to fix the fair value of the Offer Shares of that Dissenting Offeree within 20 days after payment of consideration to that Dissenting Offeree. If the Offeror fails to apply to the TTSEC within 20 calendar days after it made the payment or transferred the consideration to BPTL, the Dissenting Offeree may then apply to the court within a further period of 20 calendar days to have the court fix the fair value. If no such application is made by the Dissenting Offeree or the Offeror within such periods, the Dissenting Offeree will be deemed to have elected to transfer its Offer Shares to the Offeror on the same terms on which the Offeror acquired Offer Shares from the Shareholders who accepted the Offer.

Any judicial determination of the fair value of the Offer Shares could be more or less than the amount of the consideration per Offer Share paid pursuant to the Offer.

The foregoing is only a summary of the statutory right of Compulsory Acquisition that may become available to the Offeror. The summary is not intended to be complete nor is it a substitute for the more detailed information contained in the provisions of sections 201-213 of the Companies Act. Shareholders should refer to such sections of the Companies Act for the full text of the relevant statutory provisions, and those who wish to be better informed about these provisions should consult their legal advisors. The provisions of the aforementioned sections of the Companies Act are complex and require strict adherence to notice and timing provisions, failing which such rights may be lost or altered.

Compelled Acquisition

In the event that ninety percent (90%) of the Shares are acquired by the Offeror, any Dissenting Offeree shall be entitled to require the Offeror to acquire all of his, her or its Offer Shares under By-Law 26 of the Trinidad and Tobago Take-Over Bid Regulations (a "Compelled Acquisition"). Offeror shall within thirty (30) days after it becomes aware of any Dissenting Offeree's entitlement to have his, her or its Offer Shares purchased by the Offeror, send written notice in accordance with By-Law 26(3) of the Trinidad and Tobago Take-Over Bid Regulations ("CA Notice") to each of such Dissenting Offerees stating that the Dissenting Offeree may within sixty (60) days after the date of such notice require the Offeror to acquire Dissenting Offeree's Offer Shares for the Offer Price.

The CA Notice will state the Offer Price, basis of arriving at the Offer Price, location where any supporting material used for arriving at the Offer Price may be examined and extracts taken, and in the event that a Dissenting Offeree disagrees with the Offer Price, a Dissenting Offeree's right to apply to and have the court fix the fair market value of his, her or its Offer Shares.

Upon receipt of a CA Notice a Dissenting Offeree may either (i) elect to accept the Offer Price and send his, her or its share certificate relative to his, her or its Offer Shares; or (ii) notify the Offeror of his, her or its wishes to have the fair value of his, her or its Offer Shares fixed by the court. In the event of the latter, the Offeror shall make an application to the court within ninety (90) days after the date of the notice. If the Offeror fails to send a CA Notice, a Dissenting Offeree, after giving the Offeror thirty (30) days' notice of intention so to do, may apply to the court to have the fair value of his, her or its Offer Shares fixed.

The foregoing is only a summary of the statutory right of Compelled Acquisition that may become available to a Shareholder. The summary is not intended to be complete nor is it a substitute for the more detailed information contained in the provisions of By- Law 26 of the Trinidad and Tobago Take-Over Bid Regulations. Shareholders should refer to By- Law 26 of the Trinidad and Tobago Take-Over Bid Regulations for the full text of the relevant statutory provisions, and those who wish to be better informed about these provisions should consult their legal advisors. The provisions of By-Law 26 of the Trinidad and Tobago Bid Regulations are complex and require strict adherence to notice and timing provisions, failing which such rights may be lost or altered.

If the Offeror is unable to acquire the Dissenting Offerees' Offer Shares via the compulsory provisions of the Companies Act, the Offeror has the option to enter into a Going Private Transaction. A Going Private Transaction refers to any amalgamation, merger, consolidation or other combination with an affiliated Offeror's entity. APPENDIX 1

SUMMARY OF VALUATION

The LBOH Acquisition was entered into by and between a willing and able seller and buyer, both active and knowledgeable coatings market participants, acting at arm's length in an open and unrestricted market, when neither was under compulsion to buy or sell and when both had reasonable knowledge of the facts germane to the industry.

Prior to closing the LBOH Acquisition, the Offeror engaged Ernst and Young Services Limited ("EY") an internationally renowned financial advisory firm through its Transaction Advisory Services ("EY-TAS") team to provide an independent valuation estimate of the ordinary shares of BPTL as at March 31, 2017 to assist the Offeror with assessing the fair market value applicable to the 70% shareholding in BPTL.

The valuation utilized the market based approach, specifically, EY-TAS applied the Guideline Public Company and Guideline Transaction Multiples methods.

The valuation is based on EY-TAS's independent understanding of BPTL and the environment in which the company operates at the valuation date, considering and reconciling the results of their analyses, and considering among other factors, indicators of reasonableness. This valuation was performed without direct access to the management of BPTL and neither BPTL management nor ANSA McAL management provided EY-TAS with cash flow forecasts prepared by them.

EY-TAS's analyses included a review of the audited financial statements for the five (5) financial years ended March 31 2013 to 2017 and other relevant financial and non-financial data regarding BPTL. In arriving at the valuation conclusion, a number of factors were considered including:

- The market landscape in the predominant Trinidad and Tobago paint and allied products market which it serves; competing against brands such as Sissons, Penta, Kaleidoscope, Benjamin Moore, Sherwin Williams and Pratt & Lambert.
- Historical financial performance including but not limited to sales growth, financial margins, manufacturing costs, financial leverage, investments in plant and equipment, plant utilization and value of any significant non-operating assets

On the basis of EY-TAS's review and subject to the assumptions and limitations noted therein, the estimated fair market value of 100% of BPTL's issued and outstanding ordinary shares, as at March 31 2017 is between TTD\$22.753 million to TTD\$25.804 million, with the best estimate being TTD\$24.279 million (the midpoint of that range). Based on the 5.161 million ordinary shares outstanding, the estimated value of each share of BPTL as at 31 March 2017, is between TTD\$4.41 to TTD\$5.00, with the best estimate being TTD\$4.70 (the midpoint of that range).

The value conclusions and/or recommendations above are not intended to represent the values of the subject assets at any time other than the effective date that is specifically stated in this summary of EY-TAS's report. Changes in market conditions could result in recommendations of value substantially different than those presented at the stated effective date. EY-TAS and the Offeror assume no responsibility for changes in market conditions or for the inability of a BPTL Shareholder to locate a purchaser of the subject assets at the values stated herein or the price that the shares will trade at if there is no takeover bid.
